

Welcome to our 33rd Annual Garden Tour.

The Spirit of WesterFlora

You shall see 10 wonderful and diverse gardens in our beautiful city.

The WesterFlora garden tour has received several First Place Awards from Garden Club of Ohio, Inc. for our Landscape Design Event. The tour has also received a First Place National Award from Garden Club of America in 2018. Members of the WesterFlora Committee select gardens for the tour from the entries received that best represent landscape uniqueness, healthy and diverse horticulture and artistic expression. The gardens our residents create never fail to impress.

Our tours began in 1992, the year the AmeriFlora International Flower Show was held in Columbus. Westerville and other communities throughout Central Ohio spruced up their landscapes and conducted local gardening contests and tours in conjunction with AmeriFlora.

Some lasted for a few years, but only Westerville's WesterFlora continues to this day because of Ron Clowson, the visionary and "father" of WesterFlora. This year's tour is dedicated to Ron and his legacy. His favorite flower was the "Camelot Rose", which is embedded in this year's logo. This year's featured community park is the
Hanby House Kitchen Garden
Lovingly tended by members of the
Westerville Garden Club, the plantings
represent a typical home garden of the late
nineteenth century. The historic Hanby
House will be open for free tours and there
are restrooms available. Don't miss this
historic, educational and informative stop
on the tour!

We would like to thank all the homeowners for opening their gardens to the public and to the artists and entertainers for the donation of their time, talents and beautiful work. We believe they enhance the garden tour experience.
